Kay Simms Remembered

Beloved recent past State President, Helen “Kay” Simms passed away suddenly on Nov. 9, 2016 at UMass Medical Center in Worcester. Kay was born in Jersey City, NJ on July 2, 1937. She began her teaching career in her hometown of North Bergen, NJ in 1958 upon graduation from Geneva College in Beaver Falls, PA. It was at this college that Eddie Simms first spotted her and knew instantly that she was “the one” for him!! Kay and Eddie were married in July of 1960 and they settled in Pittsburgh, PA where she taught elementary school until their twin daughters, Kathi and Lori were born. They left Pittsburg and moved to beautiful Petersham, MA in 1965. Kay taught K-6 at times over the years, including 3 as principal, until her retirement in 2000. She continued to serve as a substitute at the Petersham Center School until 2015 and would go to read to 3rd and 4th graders each week. Kay was also a member of the Salvation Army Advisory Board in Athol for more than 40 years; a member of the Board of Registrars in Petersham for many years; and very active in the Orthodox Congregational Church of Petersham until her death. Kay was a loyal and active member of Delta Kappa Gamma for 33 years including time as Alpha Mu President as well as her recent service as State President. All DKG sisters will miss her, but especially those from Alpha Mu. Kay loved to travel (and missed her DKG “roommate and buddy”, Charlotte Kennan). A special memory was of her trip to Scotland to visit her nine cousins. Kay enjoyed knitting blankets

for newborns through the Salvation Army and reading, especially historical novels. Her constant smile and willingness to help those in need will be greatly missed by many.

LEADERSHIP MANAGEMENT SEMINAR

On November 11, 2016, at the Boxborough Holiday Inn, Donna Brown and her team of Golden Gift sisters held a fun, informative, and motivating seminar entitled: "Becoming Strategic: Personally and Professionally". Donna, Bette Bridges and Marilyn Spedding were our leaders for the day. Gwen Miller and Marjorie Burns, initially involved, were unable to attend. Donna began the day subtitling our plan for the day as "Not Your Superintendent's Strategic Plan". Bette called our Life Plan a "living document" about "ME". She encouraged the attendees to develop personal goals in four areas: physical, emotional, intellectual, and spiritual. Bette provided worksheets to begin exploring these areas. Marilyn lead us in a discussion about the important area of Family Relationships (parenting, grandparenting, social life, roles in family, support systems, etc.). Bette reinforced the concept that you need to develop simple goals that are attainable and that once reached, can then be increased or changed. Donna, taking on Gwen's role, encouraged us to try creative pursuits. She suggested that we make TIME to develop hobbies and activities that allow us to relax and de-stress by focusing on something new and interesting. With a higher level of commitment

Message From Martha

The Grateful Dead have a song called “Uncle John’s Band”. In the refrain they sing “Where does the time go?”. I can hardly believe that this is my next to last meeting as your State President. I will certainly miss the great Area meetings I attended this fall. The programs were so varied and interesting, besides the camaraderie and delicious food there was wonderful entertainment.

I experienced Lessons from a Mystery Writer in Area VI, Area III gave us a great presentation about Lizzie Borden, Area V had us sing along, and Area I suggested we put bags over our heads and prance around in our underwear. All kidding aside, the book The Old Bag Project is a great tribute to women and how to embrace the aging process. Area IV brought in the Antique Road Show and now I am quite wealthy and can afford a face-lift so forget the Old Bag Project. Area II had a lot of fun entertaining themselves as their speaker had an emergency. It is wonderful to see different areas in person and to meet such talented members who may never come to a state meeting but do so much for their chapter and area.

Gail Laffer of Area V organized a fundraiser at the Designer’s Circus. There were no animals or high wire tip toers, just a bunch of giddy women looking for that one in a kind piece of clothing. 10% of the sales went to Safe Passage. Area V raised \$374.44. So we did some shopping!

The Golden Gift Girls presented a conference on Becoming Strategic Personally and Professionally. It was an inspiring day, we set goals for ourselves. I must admit I haven’t achieved mine yet, but I am working towards that end.

Speaking of Chapters, please get your chapter reports to me. They can be found on the DKG website. If it is easy feel free to fill out online and email to me.

I am a little disheartened by the number of members who have dropped. Over 80 members have not renewed their membership. I know that for working members the time constraints are increasing. It is not unheard of for teachers to be at work past dinnertime. So please know it is even more crucial for us to get out and let educators experience what DKG can offer. Sometimes a break from work to learn a new skill, visit a museum, hear a great lecture can help relieve stress. Plan programs that offer a variety that can appeal to all levels. Have a service project, get members involved in a committee. Sometimes the veterans in a chapter have to sit back and let others do the work. If you don’t involve new young members they will not want to stay as members.

I have seen some of the wonderful service projects chapters are doing. We need to get the word out. In light of the recent rallies, protests have occurred across the state and the country. DKG has put out a statement that informs members that we are a nonprofit therefore nonpartisan. We as an organization can support issues and legislation but not candidates or political parties. That being said, follow your heart in these complex tumultuous times. (see DKG statement on pg.6)

I hate to say this, but we have had a mild winter. I was at work on February 2nd, so I don’t know if that Groundhog saw his shadow and made his prediction. But spring and summer are not too far away. Bette has finalized the program for our Spring Convention in the beautifully renovated hotel in Plymouth. There will be interesting workshops and you can welcome the new officers. Information is in this issue of the Baystater.

The Northeast Regional is in Windsor Ontario. I received a flyer from International. Gail Saccone has sent information to chapter presidents and the Executive board. Christine has posted it on our state website. The April edition of DKG news will have the registration form and all the details. These can be found on the DKG website. Thank you all again for allowing me the honor to be your president.

Delta Kappa Gamma's Statement of Neutrality

As individuals, DKG members cherish the personal right of free speech. As leading women educators, DKG members want to--and should--take a stand on important issues. Purpose 4 of the Society, in fact, encourages members "To initiate, endorse and support desirable legislation or other suitable endeavors in the interests of education and of women educators."

In contrast to speaking as an individual, however, "speaking" on behalf of an international, nonprofit organization is a complex endeavor. First, in the United States, the IRS restricts political and advocacy involvement of nonprofits; penalties can include revocation of nonprofit status. Second, the DKG Constitution, echoing Purpose 4, dictates in Article VIII, Section C., f. "that the committee (Educational Excellence Committee) shall study and recommend action on professional issues and shall urge the state organizations to initiate, endorse and support desirable legislation or other suitable endeavors in the interest of education and women educators." The International Standing Rules further state in 8.102, c. "Legislative action shall be based on a thorough understanding of the issues involved in supporting excellence in education, equality for women, and a safe, peaceful educational environment." The Rule continues in d: "Legislative activity shall be concerned with educational issues, not with candidates or political parties." Of course, the difference between issue advocacy and political intervention can be very difficult, which leads to the third point of complexity regarding "speaking" on behalf of The Delta Kappa Gamma Society International. Although united in a genuine spiritual fellowship, we are an organization of diversity--of various positions, experiences, opinions, passions, values and beliefs. The Society ultimately can only "speak" through formal consensus of members on legislative matters; without such formal consensus, neutrality must be the position for this nonprofit organization. Thus, when issues or controversies arise, each member must follow her personal journey to act on her passions and beliefs, whether by contacting a legislator, writing an op-ed piece for a local paper, using social media under her own name, or organizing or participating in a march or demonstration. We support our love of DKG best, as well as represent our personal values, by acting with grace and supporting our organization as one that includes women with many different viewpoints - sometimes represented in the same chapter.

Baystatements

Alpha Beta

For the past few years, Alpha Beta Chapter members have contributed new school supplies to the children who reside at Evelyn House, a residence for homeless families in Stoughton, MA. Items such as crayons, markers, pens, pencils, notebooks, and painting supplies make returning to school a little brighter for these children who need so much. Additionally, in December, Alpha Beta contributes hats and mittens to keep the children warm in winter, as well as toiletry items for men and women residents at Evelyn House as a way of including them in our thoughts during the holiday season.

We are happy to announce that Alpha Beta member Beth Fisk received a pin celebrating 25 years as a member of DKG. Over the years, Beth has had various responsibilities in our chapter, most recently as treasurer.

Sadly, we lost a dear long time member on June 19th this past year. Portia Mears passed away at the age of 98. During her many years as a teacher, Portia taught at the University of Indiana, was an accomplished pianist, and worked as a Reading Specialist at South Shore Vocational Tech School. She was known by many and will be missed by all.

Alpha Eta

Alpha Eta has gone local for our last few meetings. In May, El Galeon, a replica of a 17th century Spanish galleon visited Newburyport. Appropriately enough, her captain, Rosario Fernandez Rodriguez, is one of the few female skippers of tall ships. The mission of El Galeon, built in 2009, is educational, and her next

scheduled stop was Portland, Maine. After touring the vessel, members proceeded to the Starboard Galley, for dinner, business, and fellowship.

The last meeting of 2016 took place at the Blue Ocean Center in Salisbury. After a delicious dinner at the Seaglass Restaurant, members visited the Sea Festival of Trees. The unique and beautiful trees donated by local individuals or businesses inspired many of us to purchase raffle tickets. There were no Alpha Eta winners, but all who attended enjoyed the evening. Our chapter is continuing the literacy project we started last

year. Recently we donated 34 books to a pre-K class at the Moody School in Haverhill. The students love getting their own books and carry them every day in their backpacks.

Alpha Gamma

Members of Alpha Gamma Chapter enjoyed a wonderful evening of fellowship and holiday cheer at their December meeting held at Heritage Country Club in Charlton. Dinner beside the roaring fireplace amid lovely seasonal decorations set a perfect mood for our final meeting of 2016. In keeping with the holiday spirit, members enjoyed a Yankee gift swap to round out a special evening.

At this gathering we celebrated the achievement of our chapter treasurer, Natalie Janesciwicz, in recognition of her receiving the Area II Achievement Award. We are very proud of Natalie as an active member and representing us so well, at the state level.

Although we enjoyed a festive evening, our meeting also included a serious discussion regarding the fund raising our chapter does to support the scholarship we have been awarding annually to a local high school senior majoring in education. As we struggle to find new and innovative ways to accomplish this effectively, we would welcome hearing from other chapters regarding successful fund raising efforts they have conducted.

Alpha Nu

Hope Chapel in Sterling, MA was the site of our second annual creative holiday event on December 9, 2016! A special thank you goes out to Pat Doherty for sharing her talent, expertise and love of the creative arts! Visit our Photo Gallery (www.dkgalphanu01weebly.com) to see more of these beautiful works of art!

Alpha Xi

The last few months have been busy for Alpha Xi. On May 2, 2016, we held our annual banquet at the Nashua Country Club. New member Patrice Hurley was initiated. Welcome Patricia! Two new officers were installed: Barbara Toohey as Recording Secretary and Nancy Williams as Treasurer. Next, JoAnn Menzia introduced Tessa Scalese of Chelmsford, recipient of

this year's scholarship. Tessa will attend Merrimack College, studying Special Education.

On June 3, members enjoyed the Middlesex Community College Celebrity Series. This year's celebrities were Hoda Kotb and Kathie Lee Gifford, who had an entertaining conversation on stage about their respective careers. The first meeting of the 2016-2017 year was held on September 12, 2016, at the Chelmsford Public Library. Brian Herzog, Asst. Head Librarian of the Chelmsford Public Library, gave an informative and helpful overview of the resources and programs available through the library.

Following the program, Alpha Xi honored Dr. Gertrude M. Bailey, who is in her 50th year of membership in Delta Kappa Gamma! She received a 50-year pin and a floral bouquet. Dr. Bailey has been a well-known educator for many years, and the Bailey School in Lowell was named after her. We're so proud to have her as a member!

Leadership continued from pg.2

to these activities comes more personal satisfaction. Donna recommended that we include hobbies in our Life Plan by making changes in our schedules to ensure that they happen. An added advantage of pursuing intellectual and cultural activities is that it keeps our brain stimulated! Community activities (volunteer work, charities, etc.) are another area for personal growth. Our conclusion was, "It's not how good you are; it's how good you want to be."
